We were a little nervous having a Dj we hadn't met, but not only did he do an exceptional job of the music and getting everyone on the dance floor, don't think it was empty once, he was an absolutely lovely guy and nothing was too much trouble. We would highly recommend him and if we need a Dj again I will definitely be in touch"

"Just wanted to say a big thank you to you for running the music and PA system on Friday for our wedding, loved all the tunes for the disco and it was really nice Claire and I got to do are first dance song again upstairs! We had a great day and everything went perfect so thanks again and we will definitely be recommending Sopley Mill and your services to our friends"

Lee Booth, 18th July 2014 - Sopley Mill

"The service provided by James and 'We Perform' was faultless and it really helped make the evening at our wedding a great success. James' judgement on the music and playlist was spot on and he created a vibe that really got people in the party mood. James offered great flexibility and worked with numerous requests that he worked seamlessly into the set. Several people commented on the day at how good the music was and we thankfully avoided that typical cheesy disco that is so familiar at weddings and Christmas parties! We had a great time and we thank you for providing great value, customer service and quality on our special day! I cannot recommend enough"
